1. Purpose

- 1.1 The Academy aims for all learners to have an enjoyable, safe and successful time while studying at Big Creative. The Academy expects learners to take responsibility for their learning and to work hard to achieve their learning goals. The Learning and Behaviour Policy aims to identify and support learners who are at risk of underachieving or failing their course and to keep staff and students safe.
- 1.2 This policy is based on the principles of mutual respect and responsibility, enabling learners to learn and staff to teach and support learning. These aims are supported by the Learning and Behaviour Contract (Appendix A).

2. Scope

- 2.1 The policy applies to all learners while they are enrolled at the Academy, including when on work placements, educational visits, trips and other external Academy activities. It also applies to Academy learners taking programmes through franchise partners who have been contracted to provide services on the Academy's behalf.

3. Summary of Stages

- 3.1 The Academy will use the Learning and Behaviour Policy when a learner is alleged to have breached the Learning and Behaviour Contract. Whenever possible concerns and issues

should be dealt with informally and the learner supported. The formal stage or serious incident should only be used when informal action has failed or is considered inappropriate.

3.2 The policy has two parts:

- The Formal Stage: this will be used to support learners, address issues and deal with minor breaches of the Learning and Behaviour Contract. It has three levels:
 - Cause for Concern
 - First Warning
 - Final Warning
- Serious Incident and Disciplinary Hearing will be used to deal with serious breaches of the Learning and Behaviour Contract. Learners have the right to appeal against the decision to withdraw or exclude them from the course and/or Academy (see Exclusions Policy).

4. General Principles

- 4.1 When a learner's behaviour is subject to this policy, whether at the formal stage or as a serious incident, the learner's lead tutor will support them, including:
- discussing concerns with the learner on attendance, punctuality, completion of work, and behaviour
 - exploring particular reasons or extenuating circumstances including additional needs, safeguarding concerns and learning support.
 - clearly explaining expectations around improvements and the possible consequences of not addressing these, which includes a first warning, final warning or being withdrawn from their course and/or the Academy
 - devising an action plan with the learner to achieve their targets, recorded on their individual learning plan
 - referring them to support and contacting agencies as necessary
 - monitoring their progress
 - gathering feedback from teachers/support staff in preparation for a review meeting
- 4.2 Learners with a learning difficulty or disability can access support in using the policy by contacting the Academy's Inclusion Lead. The Academy's Inclusion Lead will be notified when a learner with a learning difficulty, or disability is involved in a serious incident or subject to a disciplinary hearing. Reasonable adjustments will be made to the process to accommodate the needs of a disabled learner.
- 4.3 Communication with learners will be via their Academy email account. Learners will be:
- Given at least three working days notice in writing of a review meeting.
 - Given at least five working days notice in writing of a disciplinary hearing
 - Informed of the outcome of meetings and hearings in writing within three working days.
- 4.4 If a learner does not attend a review meeting or disciplinary hearing the Academy will make reasonable enquiries as to why they are not present and decide whether, in all the circumstances of the case, it is fair and reasonable to go ahead without them. If the meeting or hearing does go ahead without the learner being there, a decision will be made in their absence and they will be informed of the outcome.
- 4.5 For learners under 18 or vulnerable adults, a parent/carer/guardian will be invited to attend final warning meetings with at least three working days notice in writing and informed of the outcome of meetings in writing within five working days. They will be informed immediately when a learner is required to leave the Academy premises. Parents/carers/guardians will be informed of disciplinary hearings in writing within five working days and informed of the outcome in writing within five working days.

- 4.6 Where it has been identified that the Academy should not contact the learner's parent/guardian/carer, or there are strong indications that contact may impact on the learner's safety, the Academy reserves the right not to involve or inform the learner's parent/guardian/carer in the disciplinary process (at the discretion of a designated child protection nominee).
- 4.7 Recording, Monitoring & Reporting
- Formal stage, serious incident and disciplinary hearing records are kept on the learner's file for the duration of their course.
 - Records of serious incidents, disciplinary hearings, and exclusions are recorded on a central Academy database and are kept for five years electronically.
 - Exclusions are flagged on the Academy MIS system for the period of the exclusion.
 - Withdrawals, exclusions and appeals are monitored by equality and diversity categories and are reported to the Principal, the Academy senior management team and the Governing Body.
 - Monitoring is used to identify equality and diversity issues and areas of action to address inequalities.
- 4.8 It is the responsibility of all Academy staff to promote and help make all learners aware of the Learning and Behaviour Policy and associated documents.

The Academy has a responsibility to tell learners at the start of their programme about the behaviour that is required of them and the type of action the Academy can take if they break the Learning and Behaviour Contract.

The Principal is ultimately responsible for enforcing the Learning and Behaviour Policy and others also have the authority to:

- Suspend a learner is delegated to member of the SMT
- Exclude a learner is carried out by the Principal
- Withdraw a learner is delegated to the Director of Curriculum

All learners are required to follow the Learning and Behaviour Contract. By enrolling at the Academy, learners are agreeing to follow Academy policies, and the Academy may take action against learners who do not follow them.

- 4.9 When the Academy reasonably suspects that a learner has committed a criminal offence, the matter may be referred to the police.

When a learner has or may have breached the Learning and Behaviour Contract and the matter is being investigated by the police or is the subject of criminal proceedings, the Academy may start or continue with its own formal sanctions and procedures or it may decide to postpone further action pending the outcome of the police investigation/criminal case.

The Academy will not be bound by the results of a police investigation or criminal proceedings against a student. No learner will be automatically dismissed or otherwise disciplined because he or she has been charged with or convicted of a criminal offence.

5. Formal Stage

- 5.1 Wherever possible issues and concerns should be dealt with informally through discussion between the learner and teacher/tutor to establish the facts and circumstances. The formal stage should only be used when informal action has failed or is considered inappropriate.

The Academy will use the formal stage to deal with alleged minor breaches of the Learning and Behaviour Contract. Minor Breaches may include:

- Poor attendance and/or punctuality (also see Attendance and Punctuality Policy)
- Not handing work in on time
- Handing in poor quality or insufficient work
- Poor or challenging behaviour such as talking at the wrong time, using mobile phones, inappropriate language
- Rudeness towards staff or other students
- Failing to follow a reasonable instruction made by a member of Academy staff

5.2 Entering the Formal Stage may result in a learner being withdrawn from their course and/or the Academy if agreed targets or behaviours are not met.

5.3 The formal stage has three levels: cause for concern, first warning and final warning. A progress meeting can be held at any time in the formal stage if targets have not been met with three working days notice in writing.

(a) Cause for Concern (C4C)

A C4C can be raised and actioned by a teacher or tutor following informal action

A learner may have multiple C4Cs raised There is no automatic progression onto a first warning or final warning from a C4C. At a C4C review meeting:

- Targets are reviewed and progress discussed
- Outcome and action decided

Possible outcomes:

- No further action at this time, records stay on file and active
- C4C is reissued - targets set and a review meeting arranged
- Case is referred to the learner's personal tutor/subject leader
- First Warning is issued by lead tutor

(b) First Warning

Examples of behaviour to warrant a first warning are continuous minor breaches of the Learning and Behaviour Policy as above. At a first warning review meeting:

- Targets are reviewed and progress discussed
- Outcome and action decided

Possible outcomes:

- No further action at this time, records stay on file and active
- First warning is reissued - targets set and a review meeting arranged
- Final warning is issued

(c) Final Warning

Examples of behaviour to warrant a final warning are major breaches of the Learning and Behaviour Policy without being a serious incident (as outlined below). At the final warning review meeting:

- Targets are reviewed and progress discussed
- Outcome and action decided

Possible outcomes:

- No further action at this time, records stay on file and active
- Final Warning is reissued - targets set and a review meeting arranged
- Withdraw the learner from the course and/or Academy

6. Serious Incident

- 6.1 The Academy will use the Serious Incident part of the Learning and Behaviour Policy to deal with serious alleged breaches. Serious breaches may include:

 - Being under the influence of illegal drugs or alcohol (see also the Drugs and Substance Misuse Policy)

 - Malicious damage to or theft of Academy/staff/student property
 - Bringing serious harm to the reputation of the Academy
 - Involvement in a Serious Incident and Disciplinary Hearing may result in a learner being excluded from the Academy.
- 6.2 Following a serious Incident, a senior manager, Course manager or Security may require a learner to leave the Academy premises immediately if a learner's continued presence is likely:
- To constitute a threat to persons or property
 - To cause undue disruption to the normal operation of the Academy
- 6.3 Examples of serious incidents/behaviour that may lead to a suspension are:
- physical assault
 - carrying weapons
 - selling drugs
 - possession of drugs or alcohol

Following an incident or at any point during an investigation or prior to a disciplinary a senior manager may suspend a learner:

- To prevent a threat to persons or property
 - To prevent undue disruption to the normal operation of the Academy
 - To prevent interference with the investigation
 - To protect the best interests of a learner
 - A suspension is not a disciplinary penalty; it is an interim measure pending the outcome of a Serious Incident investigation and/or Disciplinary Hearing.
 - When suspended, a learner must not return to Academy until they have permission to do so from the Principal
 - While suspended, work and assignments will be sent to a learner's home or made available on their ILP, as appropriate.
 - Parents/guardians will be contacted to inform them that the learner has been asked to leave the site.
- 6.4 A member of the senior management team will act as investigating officer. They will:
- Carry out an investigation to establish the facts and circumstances
 - Obtain statements from the learner or from any third parties, by interview or in writing
 - Produce a report on the findings of the incident
 - Recommend an outcome to the senior management team.

- No case to answer, no further action
- Issue a formal stage (first or final) - targets set and a review meeting arranged

When possible, the hearing will take place within 12 working days of the incident. Learners will be sent a copy of the case against them as soon as possible, usually within five working days of the incident, including:

- Confirmation of the alleged breaches of the Learning & Behaviour Contract and copies of evidence gathered during the investigation.
- Copies of documents that the Academy intends to rely upon at the hearing

- The Academy (usually the investigating officer) will summarise the Academy case.
- The learner will summarise their case, explaining any special circumstances.
- The panel will adjourn, to consider their decision.

Possible Outcome

- Dismiss the case against the learner and re-admit the learner to their course/s
- Issue a Formal Stage (First or Final) - targets set and a review meeting arranged
- Recommend, as and where appropriate, that the learner:
- Replace damaged items
- Write an apology
- Seek support and guidance from external agencies to resolve issues raised as a result of the incident, for example, anger management
