

LOOKED AFTER CHILDREN POLICY

Updated August 2020
Approved by the Principal

This policy refers to and should be read in conjunction with the following policies:

- Safeguarding and Child Protection Policy
- Equal Opportunities and Diversity Policy
- General Data Protection Regulation Policy

1. Definition

- 1.1 Please note this policy also applies to young people who were formerly looked after.
- 1.2 This policy refers to young people who are Looked After as defined by the Children Act 1989. That is those learners who are under the age of 18 and are:
- The subject of an interim or full time care or emergency protection order
 - Unaccompanied minors who are asylum seekers
 - Accommodated by a local authority with the agreement of their parent(s) or legal guardian
 - Compulsorily accommodated as a result of criminal proceedings
- 1.3 A large number of young people in care will have a history of physical, sexual or emotional abuse. Some may have suffered the death of a parent, or have parents who can't look after them properly because of illness. Others may have disabilities and many different needs. A very small number are in care because of the crimes they have committed.
- 1.4 Young people come into care by two main routes:
- because the parents have asked for this help or
 - because the child is in danger of being harmed

2. Legislation

- 2.1 Under section 20 of the Children Act 1989: where parents have asked for help, because for some reason their child can no longer stay at home suitable accommodation for the child will be provided. Parental responsibility remains with the parent/guardian.
- 2.2 Under section 31 of the Children Act 1989 if the child is in danger of being harmed, a court will make a care order. The court will take all the circumstances into careful consideration before doing this. When a care order is made, children's services acquire parental responsibility and become a legal parent alongside the parent/guardian.

- 2.3 Between the ages of sixteen to eighteen a young person who has been Looked After will be expected to begin the transition towards independent living to become a Young Care Leaver. They may move into supported lodgings or into a bedsit or flat depending on the provision available. From the age of sixteen they will be supported by their Local Authority Leaving Care Team.

3. Introduction

- 3.1 Although there has been a slight improvement in outcomes for Looked After Children over the past years, they remain significantly lower than those for all children, and the gap is not narrowing.
- 3.2 In 2006, only 12% of these children achieved five GCSE A*– C passes, compared with 59% of all children; 37% of them did not achieve any passes compared, with 2% of all children.
- 3.3 Post 16 Providers can play a significant part in ensuring that Looked After Children aged 16 to 18 are enabled to participate and be successful in education.
- 3.4 Supporting Looked After Children to succeed and progress to further education, higher education, employment and a better future is a priority for Big Creative Academy. This policy complements the Academy's Safeguarding and Child Protection Policy.
